Hello Farkash,

I hope all is well.

As you know, I are progressing matters with Moshe and hope to have an agreement in principle on the LOI before the end of the week.

Separately, can we confirm your availability on November 24th to meet with Gary, Ehud and myself in Zurich ? If this date works, we would look to meet with you at our offices at 10am CET.

Please confirm your availability or if for some reason, the 24th does not work, a few alternative dates we can look to instead.

With best wishes,

Ion
